COCK SHOCK: Frobisher was trying to pull the birds

I only wanted the seagulls to peck my willy!

By WENDY THOMAS
news@sundaysport.co.uk

PERV LAY NAKED AT SEASIDE WITH CHIPS AROUND HIS PRIVATES

A PERVERT lay naked on a busy beach and piled hot CHIPS on his cock – because he wanted seagulls to peck his manhood.

Warped Watson Frobisher bought a bag of chips in Whitby, North Yorks, before striding to the sands – where he stripped and began his bizarre performance.

Witnesses say he "narrowly avoided a beating" from some tough Teesside dads when he was led away wrapped in a towel by authorities.

As families came out in numbers to enjoy their first taste of freedom since PM Boris Johnson announced the coronavirus lockdown in March, few expected to witness Frobisher's outlandish antics at the popular resort.

BEAUTY SPOT: Whitby

One clearly disgusted beachgoer said: "He just lay there cock out – it were on flop, at least, not on bonk – and started rubbing chips into his slack shaft.

"He were calling 'Here seagull, here seagull' peck at my chips… peck, peck peck'. Man were a ruddy nutter."

Single former youth worker Frobisher was arrested for indecent exposure but has been moved to the nuthouse for assessment.

Surfer reunited with treasured leg

A MAN who lost his false leg surfing was reunited with it a few weeks later after a teen lad found it while out diving.

Carter Hess (*left*) was out surfing at St. Andrews, Florida, last month when a big wave knocked off his titanium leg.

He tried searching for it the following two days but came up empty-handed.

He said: "I've surfed in much bigger waves and it never came off like that."

Thankfully, Sebastian Morris, 13, from Santa Rosa Beach, found the missing leg half-buried in sand, while diving for treasure with his dad, Bobby, who started an online campaign to find the owner and return it.

MONDAY

BORIS Johnson eases lockdown rules but confusion reigns as folk in England are told to get out and about while those in Wales, Scotland and Northern Ireland "remain at home".

Why is that confusing? Surely it's no different to any World Cup year.

TUESDAY

IT'S International Nurses Day – and we're all invited to show our appreciation for the great work they do by shining a light from our bedroom windows.

But God forbid that any of us should try to show our appreciation by shining a light INTO a nurse's bedroom window.

Then suddenly it's a breach of Section 67 of the Sexual Offences Act, and we have to sign a register. The world has gone stark raving mad!

WEDNESDAY

NEW rules for England mean garden centres and golf courses open from today – which is great news for anyone running low on wooden duck ornaments or racist jokes.

We can also spend unlimited time loitering in parks and beauty spots, which means the dogging season is back on.

However, public health experts are warning that any al fresco sex enthusiasts keep at least two metres apart.

That's nothing to do with coronavirus. It's just that some of these fellas haven't shot their bolt in seven weeks – so their first one could have someone's eye out.

THURSDAY

ESTATE agents are also allowed to return to work in England from today – despite warnings that showing folk around houses could spread the virus and put them into an early grave.

Or, as they might say: locate you a compact but secure subterranean residence in a central location which is growing in popularity.

FRIDAY

A FORMER rugby star is suing his ex-club Saracens over claims that he suffered a career-ending injury during a drinking game with team mates.

Matt Hankin says he was hit over the head with a fire extinguisher during a team bonding trip in 2015.

Lawyers say the extinguisher is likely to be used as evidence in the court case – as soon as they can remove it from the sphincter of a fly-half who was caught ordering a shandy.

SATURDAY

CIVIL liberty groups express their alarm over plans for robots and drones to patrol holiday resorts, to ensure tourists observe social distancing rules.

The technology is said to be noisy, intrusive and active 24 hours a day.

Which, to be fair, isn't much different to your average holiday rep. At least a drone won't try to charge you 85 Euros for a boat trip then give you chlamydia.

FAMOUS FOR HER IMAGE: Emily loves to strip off

NUDIE beauty Emily Ratajkowski is writing a new book which she says will take the form of a memoir "with added political thinking".

By SUZIE SHELDON
news@sundaysport.co.uk

The American model and actress said: "I'm using my experience as a model and someone who has capitalised on their image.

"And also someone who has been maybe a victim of their image."

Survival

Emily, 28, went on to discuss the way she has capitalised on her image, explaining it has been about "survival" rather than a representation of who she is.

She said: "Modelling was an amazing way to make money and to gain stability.

Ratajkowski, who shot to fame in 2012 after starring in Robin Thicke's video for his hit pop song *Blurred Lines*, added that she was never expecting to become a celebrity.

She said: "Fame came with that and it was a bizarre thing.

"Although deep down every 20-year-old wants to be famous a little bit."

But, let's be fair love, your fame has come from whipping your teats out.

We're not sure if Em's book is going to have any pictures in but if it does, we suggest all these from the *Sunday Sport* Rata Files...

Hospital 'pest' drank sanitiser and peed pants

A MAN who broke into a hospital cancer ward drank two bottles of alcohol sanitiser, urinated on the floor, threw up and pulled down a curtain to use as a blanket.

David Miller was found slumped on a bed the next day by a horrified cleaner at the Diana, Princess of Wales Hospital in Grimsby.

Miller, 39, of no fixed address, apologised to all staff at the hospital when he appeared in court.

Kate Fairburn, prosecuting, told Grimsby Magistrates' Court that Miller had caused problems at the hospital numerous times and was well known to security guards as a nuisance.

Miller *(above)* denied deliberately urinating but admitted that he had probably done so in his sleep.

He told the court: "I apologise for what I have done, but it was an act of desperation."

Miller was jailed for 20 weeks.

CALMING: Mice on the set of *The One Show* sit alongside hosts Matt Baker and Alex Jones as they chat to guests before Matt left the show

Fury as BBC chiefs FURLOUGH One Show MICE!

SUNDAY SPORT EXCLUSIVE
By SIMON DEAN

BBC bosses face a right roasting from the public after it emerged a nest of mice kept by *The One Show* was FURLOUGHED on the Government's job protection scheme.

The TV show reportedly has the rodents at its London studio to "calm nervous guests".

But with guests now appearing via video link, the mice are surplus to requirements – but rather than killing them with hammers as would happen at a commercial station, Beeb bosses laid them off – with the taxpayer picking up the tab.

A whistleblower told *Sunday Sport* the mice and their keeper had been laid off under the Government's furlough scheme – meaning the taxpayer is now picking up the bill for 80% of the rodents' cheese and sawdust bill and the same for their keeper, who cannot be named under Data Protection legislation.

The whistleblower said: "It is bizarre. This looks a bit like the BBC is taking advantage of the Government scheme to reduce its annual mouse bill – at the taxpayers' expense, of course."

Last year's BBC annual report showed that the Corporation spent more than £25,000 on mice for "programme making and other reasons".

A BBC insider said that all BBC mice are "housed according to strict DEFRA guidelines and enjoy the highest possible welfare standards in the rodent world."

PEOPLE recovering from the coronavirus should avoid sexual contact for at least 30 days amid fears the bug could be sexually transmitted in SPUNK.

A senior medical expert at the Thai Disease Control Department claimed patients who get over the virus need to hold off before jumping into bed with partners.

Citing a Chinese study that warned that semen could carry the virus, Veerawat Manosutthi said people should even avoid kissing.

And he said people should "wear a condom when they start to become sexually active again".

Earlier this month, researchers claimed men who had recovered from the infection still had the virus in their semen.

Kanye is ridiculous, says ex-bodyguard

KANYE West's former bodyguard has revealed the rapper and producer was one of his "least favourite people" to work for.

Steve Stanulis made an appearance on the Hollywood Raw podcast when he opened up about the "ridiculous rules" West, 42, had for him.

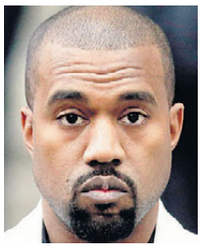
He said: "Kanye wanted you to stay 10 paces behind him on a city street. If someone is going to come up and do something, by the time I run up and prevent it, it would have already happened."

In another anecdote, Stanulis said West (*below*) had been "ranting and raving" at him on his first day – for not knowing which floor he was meant to be going to in a lift.

He added: "I said, 'We can do this one of three ways. One, you could tell me what button to press, and now I'll know. Two, you could press the button, and I'll see which one you press so I'll know. Or three, you can sit in here all day and tell me how important your time is and we are not going to go anywhere'.

"Again, that was our first interaction.

"He went for the first option."



Footie ace cries foul over sex tapes 'blackmail'

FORMER Paris Saint-Germain and Napoli forward Ezequiel Lavezzi has made a complaint he is being blackmailed over sex videos.

The 35-year-old former Argentina international, who retired in December, claimed to have received messages threatening to publish intimate images of him on the internet if he didn't pay £4,000 for each one.

Lawyers representing Lavezzi, who also played for Chinese side Hebei Fortune and San Lorenzo in Argentina, made the complaint to cybercrime prosecutors.

With Argentina under coronavirus lockdown, Lavezzi *(right)* is currently staying on the Caribbean island of Saint Barthelemy, a French overseas territory, alongside his partner, Brazilian model and actress Natalia Borges.

She has also received threats on her social media accounts, according to sources.

The Argentinian press has dubbed the affair a "pornoextortion".

According to Lavezzi's lawyers, the content of the videos is likely to be genuine.

'Railway workers are really doing a terrific job!'

KEEPING US ON TRACK: Undervalued rail staff

I LIVE very close to Hampton Wick railway station and when I've been walking past, it's struck me that Britain's railway workers are not getting the recognition they deserve.

It was brought home to me last week when I read that awful story about the lady who worked at Victoria station who died of the virus after some monster spat at her.

While many people have been staying at home – I'm one of them because there is no modelling work at the moment – the railway workers have been getting up every morning to make sure that the transport system runs for key workers.

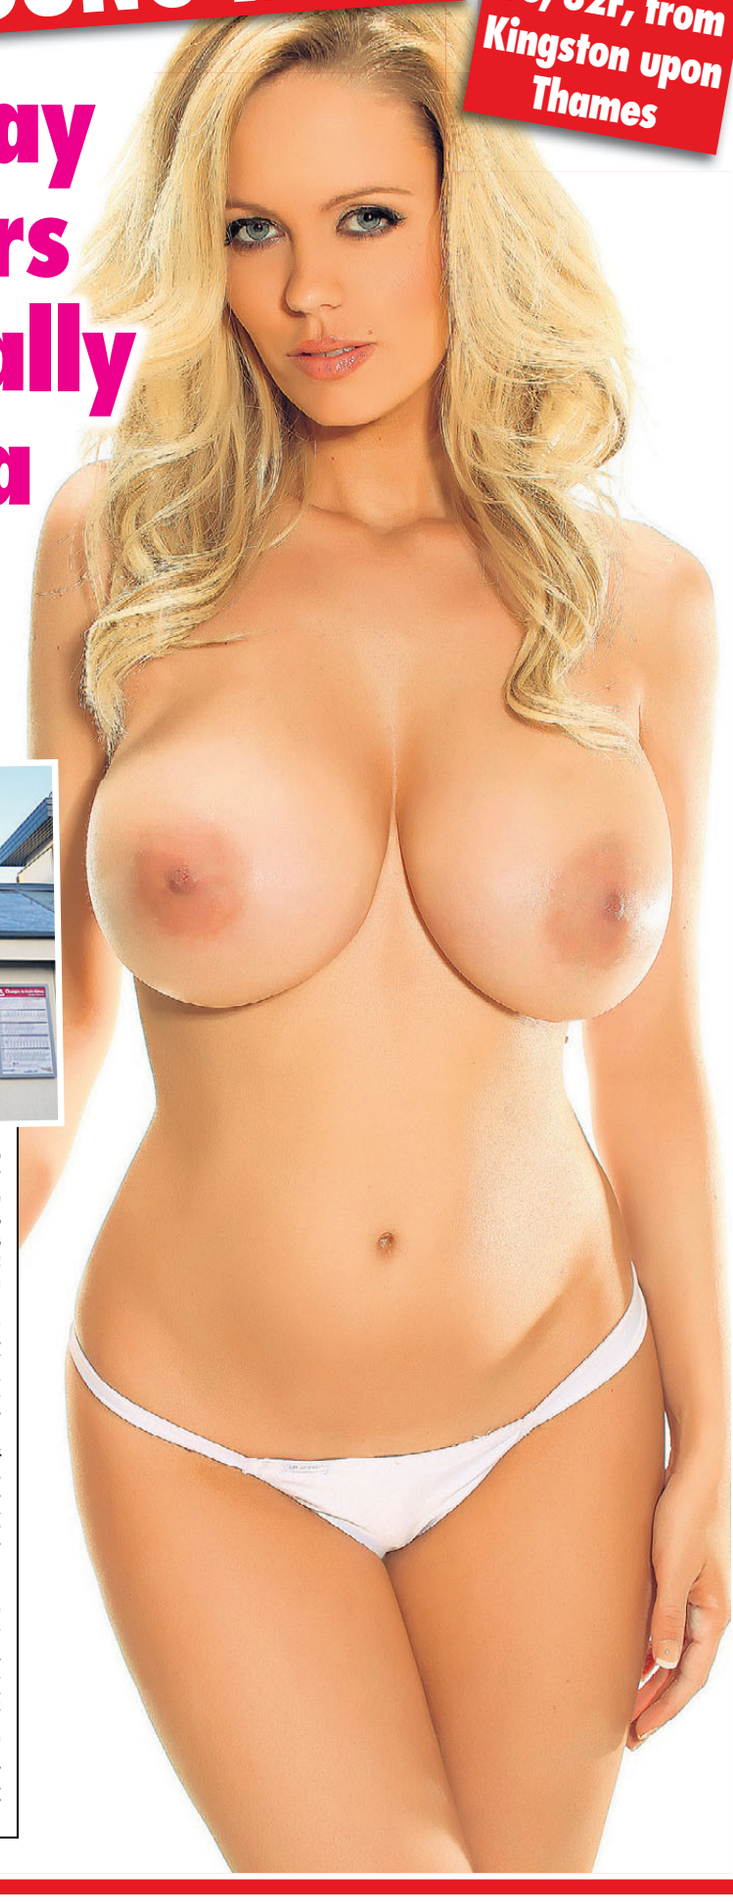
Stick

They really are in the front line – as the horrible case at Victoria station proves.

How many nurses would not be able to get to hospital, do you imagine, if there were no station staff, train drivers or track maintenance workers?

So today I'm singing the praises of the railway workers.

Yes, they get a lot of stick for going on strike all the time, but they've proved their worth over the last few weeks.



BORIS DEATH-WISH HARRY POTTER STAR WAS UNI BLOWJOB QUEEN

'CRAZY' OFFER: Margolyes *(right as Prof Sprout)* gave oral to soldier

FOUGHT VIRUS: PM Boris

By SIMON DEAN
simon@sundaysport.co.uk

LEFTY actress Miriam Margolyes – who said she wanted Boris Johnson to DIE when he caught COVID-19 – has a kinky BLOWJOB past.

The 78-year-old – who played Professor Sprout in the *Harry Potter* series – caused a storm of protest when she admitted she'd wished death on the PM as he lay in intensive care.

More than 240 people complained to telly watchdogs Ofcom after openly-lesbian Margolyes said of Boris on C4's *The Last Leg*: "I wanted him to die. Then I thought that will reflect badly on me, and I don't want to be the sort of person that wants people to die. So then I wanted him to get better, which he did do."

But Margolyes – who last year signed a letter supporting Jeremy Corbyn and describing him as a "beacon of hope in the struggle against emergent far-right nationalism, xenophobia, and racism in much of the democratic world" – is no stranger to making attention-seeking statements on the telly.

The actress – who once voiced a soft-porn audio recording – made her oral sex confession on *The Graham Norton Show* alongside tax-shy comic Jimmy Carr and actor Stanley Tucci.

Margolyes said: "When I was a student… that was before I was a lesbian, I was sorting myself out, as you do at university.

"And I was on my bike and we stopped at the traffic lights and I looked to the right and there was an open car with an American soldier inside and something crazy took hold of me and I said, 'Would you like to follow me to my college and I'll suck you off'.

"The really interesting thing was, afterwards – and I should explain, I thought I was being a good girl because a bad girl would have had intercourse – after it was all over he said, 'could I come back next week 'cos I've got some friends here…'"

Margolyes studied English at Newnham College, Cambridge.

Caitlyn lover: Star walked in on sex romp!

CAITLYN Jenner's rumoured fiancée says the *Keeping Up With The Kardashians* star deliberately walked in on her having SEX with someone else.

Sophia Hutchins, 24, said her relationship with 70-year-old Caitlyn (*above*) is more of a "parental" one, and that she even has a say in who Sophia dates.

Talking on the Juicy Scoop podcast with Heather McDonald, Sophia said Caitlyn "barging" into her room when she has guests over is becoming more and more frequent.

She said: "She saw a lot of things happening – it's kind of like living with your parents.

"I'm like, 'Oh, this might be a turning point where I might need to move out'."

Fans were positive that the pair were engaged after they became inseparable in 2017.

Sophia even jetted to Australia to meet up with Caitlyn after her exit from the *I'm a Celebrity… Get Me Out of Here!* jungle.

Trolley dolly's £10k compo for oral axe

A MALE flight attendant accused of sucking off a passenger during a Virgin flight was awarded £10k for wrongful dismissal.

Seaooloumalo Loli was accused in February 2018 after colleagues claimed to hear "strange slurping sounds" coming from the aircraft's rear galley during a flight.

Loli, who has worked as a flight attendant since 2008, was also accused of giving free beer to the passenger in question.

But he consistently denied the allegations and took his case to New Zealand's employment relations authority after being suspended and then dismissed.

The authority found Loli had been "unjustifiably" suspended and dismissed because there was not "sufficient information" to support the sex act allegation.

THE VOICE OF YOUR BRITAIN

Beeb must put its mouse in order

REPORTS that BBC flagship The One Show, should shock and appal every licence fee-payer.

And claims that the mice are being FURLOUGHED and that public funds are being used to pay their little mouse "wages" should stun every taxpayer.

This paper holds the BBC in the highest esteem.

Iconic programmes such as John Craven's Newsround, Watchdog and Doctors inform, educate and entertain – the founding principles of the Corporation.

The popular transmission Homes Under the Hammer is maybe worth the licence fee alone.

But that does not mean the BBC should be above criticism.

As long as the Corporation is funded by a fee that users must pay – by law – the BBC must come under the closest scrutiny.

So, the scandal of The One Show mice cannot remain unreported.

Today we ask:

- WHY are mice employed on the BBC payroll?
- WHO was it that took the decision to furlough the mice?
- What OTHER BBC shows use rodents in this way.

And until these questions are answered, public trust in the BBC cannot remain undented.

TRUMP-DOUBLE BAT CATCHER FACING RUIN OVER VIRUS

INSULTS: Trump has slammed Chinese over bug

BAT-TERED: Beaten up Martin is now facing poverty

RENOWNED for being one of the best bat-catchers in Wuhan, Martin Xi made a pretty penny.

SUNDAY SPORT EXCLUSIVE

By BRAD CHADWICK in WUHAN

His quarry was a much-prized ingredient for soups, stews and omelettes in the Chinese city.

Flying rodents netted by the 56-year-old could be found piled shoulder-high in the vast metropolis's vile "wet markets".

But then the coronavirus began swirling around Wuhan, which became the epicentre of a pandemic that has so far claimed 300,000 lives worldwide.

And when bats were linked to the outbreak, Martin's lucrative trade disappeared.

He said: "My customers will eat just about anything – rat, bat, special fried lice, sweet and sour polar bear.

"But even they turned their noses up at eating a killer virus that leads to a horrific, sputum-clogged death.

"In an instant, my livelihood was taken away."

But worse was to come…

Thanks to a billion-to-one throw of the genetic dice, Martin is the spitting image of an Asiatic DONALD TRUMP!

Single Martin said: "Mr Trump's denunciation of China and the Chinese has had grave consequences for me.

"When I went out in the street after lockdown was relaxed, I was set upon by anti-Trump toughs who called me 'imperialist running dog scum' and 'piss boy'."

The latter insult is thought to be a reference to allegations the US President enjoyed a "golden shower" performance laid on for him by two prostitutes employed by the Russian secret service.

What's more, he's even been sacked from the part-time job he picked up as a noodle-seller, after bosses said his Trumpian features were "bad for business".

Martin said: "I am ruined! Unless Wuhan people start eating bats again soon, I shall die in poverty."

Honking hitch for Hull in bid to clamp down on sex workers

PROTESTS about a GOOSE in London have scuppered a council's plans to thwart prostitution in Hull!

Orders used to tackle prostitution in Hull's notorious red light district are set to be withdrawn after a High Court decision relating to animal protesters in London.

So-called Section 222 orders were introduced by Hull City Council five years ago to try to reduce the problems involving sex workers.

But events in London have put a major spanner in the works.

Clothing firm Canada Goose has been subject to protests outside its London store by animal rights activists, due to its use of fur and feathers.

The company served Section 222 orders on the protesters but they were successfully appealed on the grounds they were not named individuals and it undermined their right to protest.

Similar orders are used in Hull and the council believes they could be successfully challenged in law.

Deputy council leader Daren Hale said: "We are applying to the courts to have the order set aside until the law is clearer."

RAY OF SUNSHINE: Topless Gemma's sunbathing snap

Can't believe Marlon Dingle smashed you!

TAKING THE KISS: Gemma's raunchy *Emmerdale* scene

SEX TROLLS TARGET DALES BABE GEMMA

By WENDY THOMAS
news@sundaysport.co.uk

GLOWING Gemma Atkinson brightened up lockdown for her 1.4million Instagram followers when she shared a lovely sunbathing snap last week.

The 34-year-old former *Emmerdale* beauty posted a snap of her sunbathing topless on decking at home.

Lying face down, her charms were covered – in line with prudish Instagram's "no boobs" policy.

But the snap was, nonetheless, charming.

However, that did not stop some Instagram users making slavering comments.

And one, stebratt87, even commented: "Can't believe Marlon Dingle smashed you"!

"Smashed" is crude slang for "hard sexual intercourse with" and the comment references a relationship that Gemma's *Emmerdale* character, Carly Hope, had with rustic character Marlon, played by Mark Charnock.

Another user drooled: "Great diddys".

While another simply panted: "Turn over."

Serial killers 'expert' admits decades of lies and 'bullshit'

A MAN considered a top expert on serial killers has been exposed for repeatedly lying throughout his decades-long career – including falsely claiming his own wife was murdered.

Stéphane Bourgoin, who has penned more than 40 books on serial killers, admitted to fabricating a number of bald-faced claims on his CV after internet sleuths questioned his past.

The 67-year-old confessed that he never trained with the FBI, interviewed Charles Manson or was a professional soccer player for the Parisian team Red Star.

"I have reached the moment of coming clean. My lies have weighed me down," he said.

"Sometimes I make films in my head."

Bourgoin admitted that a story he'd given of his own "wife" being murdered – a tale he used to propel his career – was fake.

He said he based the account off the case of a young woman named Susan Bickrest, whom he briefly knew before serial killer Gerald Stano murdered her in Florida in 1975.

"It was bullshit", he admitted.

Drink-driving mum emptied wine in car

A WOMAN pulled over for driving erratically with her kids on board emptied a wine bottle inside her car.

An off duty officer pulled over Zantana Shantay Cannon, 27 (*above*), after seeing her swerve and speed through a red light.

During the stop, the deputy said he observed Cannon empty a bottle of wine onto the floor of the passenger side of the car.

He also saw three children in the vehicle.

When a second officer arrived to conduct a sobriety test, Cannon allegedly said: "No, I'm drunk. I'm telling you I'm drunk.

"Just put me in handcuffs – I ain't got time for all this."

Cannon was charged with driving under the influence and three counts of child neglect.

She was booked into the Marion County Jail in Florida.

WHY IS THE BLOKE FROM GOGGLEBOX RUNNING LABOUR?

Naked man guzzles wine from tanker!

A MAN jumped almost naked onto a speeding tanker and started chugging the wine it was carrying directly from under the tank.

Dashcam footage from a Cherokee Freight Lines tanker shows the daring hooch heist in Modesto, California.

Gabriel Moreno, 39, pulled the truck over with his car in what the driver believed was a mechanical problem.

The truck driver set off again, but Moreno was seen sprinting and jumping onto the tanker ladder before getting underneath it.

He unscrewed a valve that sent the wine flowing out of the tank, which he then began guzzling as it poured into his face and onto the highway.

The trucking company later weighed the tanker and found it had lost approximately 1,000 gallons of red wine, nearly 5,000 bottles worth.

Most of it ended up on the highway.

Moreno *(above)* was later arrested.

NEVER IN THE SAME ROOM: TV star Lee (*above*) and Sir Keir (*right*)

Lookalike riddle of party's new boss

TELLY fans up and down the land have been perplexed as Lee from *Gogglebox* appears to have got a new job – running the Labour Party!

By GARY DORAN
news@sundaysport.co.uk

But despite what Twitter users claim, the new Leader of the Opposition is NOT a bloke from Hull who lives in a caravan.

Instead it is Sir Keir Starmer – an Oxford graduate, ex-barrister and former director of Public Prosecutions.

But the pair do look almost identical, with some even claiming that Labour had only elected him leader to cash-in on Channel 4 star Lee Riley's popularity.

Others reckon the pair are actually the same person, with one Twitter user asking: "Have you ever seen them in the same room together?"

Meanwhile another added: "What is the bloke off *Gogglebox* doing running the Labour Party?"

And a third said: "This was deliberate. They knew Labour needed to reconnect to working class people in the North. No better way than electing a lookalike of a reality TV star.

"Some people will vote for him on the back of it."

Lee, 51, who appears alongside his pal Jenny Newby on the C4 show which sees members of the public commenting on telly programmes, is one of the most-loved stars of the show.

A Labour source said: "It's nonsense. We elect leaders on electability."

Photo stalker told it's NOT a crime

THREE judges ruled it isn't a crime for a convicted pervert to film women fully clothed without their consent in public.

Unlawful photography convictions against David Lambert were dismissed by the judges.

Lambert, 40, admitted to stalking women in retail stores and filming their "private areas" for "sexual gratification".

The sexual deviant, who has a history of public indecency, filmed women at shopping centres in Tennessee.

"I did not mean to scare anyone and filmed the females for my own purposes. I just like using the video function on my phone," he told cops.

While acknowledging Lambert's victims found him "creepy", the judges concluded without an "expectation of privacy," his actions aren't criminal.

Dirty cop faces 20yrs over oral blackmail with doggy woman

A DIRTY policeman told a woman to suck his cock before he would help look for her lost dogs.

Patrick Allen Adkins also ordered her to swallow his SPUNK so there'd be no evidence of his wrongdoing.

Adkins has pleaded guilty to federal charges he violated the woman's civil rights.

According to the plea agreement, the victim contacted cops in July 2013, to report that while she had been in jail for a few days, her daughter took her dogs and was refusing to return them.

Adkins told her she needed paperwork showing that the dogs belonged to her and advised her to get written statements from witnesses, which she did.

After the woman saw a Facebook post that her daughter might be planning to sell the dogs, she contacted the sheriff's office again.

Adkins came back to her home in Boyd Co, Kentucky, and after the woman cried and begged for help getting the dogs back, Adkins unzipped his pants.

After the encounter, Adkins told her she'd have one of her dogs back that evening.

He will be sentenced on Septmeber14, when he faces up to 20 years in prison.

Highway 'body' was a blow-up sex doll

POLICE raced to a lonely roadside after receiving reports of a body at the side of the highway.

The area was cordoned off with 'CRIME SCENE' signs and the road was partially closed.

But when specialist forensic officers turned up at the scene on the Bruce Highway, south of Bowen, Queensland, with their high-tech gear, they discovered the "body" was actually a blow-up sex doll.

A spokesman for Queensland Police said: "Forensic officers commenced investigations which have concluded the body is a lifelike replica doll of a human."

A source said: "It's a mistake anyone could have made – well, any great galah could make. Strewth!"

MUSIC fans were dismayed last week to learn that this year's Reading and Leeds Festivals have been cancelled, on account of the Chinese Death Plague.

Earlier this year, we were told that Glastonbury – that huge assembly of posh wankers in the Somerset mud – was also scrapped for 2020.

The loss of Reading, Leeds and Glasto in one year is disappointing.

But it's nothing compared to the loss of this year's Roskilde Festival.

Jamboree

Because the Danish music beano is a PROPER jamboree – with people taking part in naked runs and everything!

Running since 1971, the Roskilde Festival is one of Europe's biggest music events, but 2020's bash will not happen.

That means there will be no Naked Run this year!

To help with the disappointment, here are some pics from previous years' events…

LIMBERING UP: Runner knows how to bend and stretch before event

MARATHON NOT A SPRINT: Pretty blonde feels the burn

FACE MASKS NOT COMPULSORY: But they keep dust out!

WOMB RAIDER: What Steve found inside the hut

Explorer finds sex hut hidden in the woods

By WENDY THOMAS
news@sundaysport.co.uk

A STUNNED explorer stumbled across what appeared to be an abandoned SEX HUT with a MINGE-shaped entrance.

Steve Gray was strolling through woods on the outskirts of Grimsby when he uncovered the baffling building.

Kitted out to look like the inside of a womb, the hut was filled with bloodstained mannequins and had several bizarre figures standing guard in the trees outside the entrance.

Steve also found a leaflet titled "Muddled Marauders" claiming there was "plenty of womb for everyone".

Steve, who films himself exploring abandoned buildings, said he'd never had a find like it before.

In the video he's visibly shocked by the hut, calling it a "messed up place".

When he suddenly realises what the inside is meant to be, he cries out: "This is the womb, we are inside the womb!"

And after doing some research, Steve says he thinks he's cracked the mystery of the sex hut.

"I found out there was some sort of odd sex rave in these woods in 2018 and this is what was left behind," he said.

"I'm still not quite sure what to make of it. I didn't expect to be walking into a womb!"

STANDING GUARD: Bizarre mannequin

TRUCKIN' HELL

A DRIVING lesson went tragically wrong when a 15-year-old girl accidentally backed a pickup truck over her dad, 46, killing him, in Tarpon Springs, Florida.

SWEAT JESUS

A 40-YEAR-OLD man was arrested after startled locals spotted him naked in the middle of the road, "sweating profusely" and claiming to be Jesus in Leavittsburg, Ohio.

Murderer hacks own cock off as gift to god

A JAILED murderer cut off his own cock in prison as an offering to a Hindu god.

The shocking incident happened early in the morning in the temple at Gwalior Central Jail in Madhya Pradesh, India.

Prisoner Vishnu Rajawat, 30, used the sharp edge of a spoon to cut off his genitals.

Rajawat, who is serving a double life sentence, was rushed to the Gwalior District Hospital, where he is in a stable condition.

Gwalior Central Jail superintendent Manoj Sahu said: "Once his condition stabilises, the surgeons at Gwalior District Hospital will perform reconstructive surgery to restore the severed genital."

The inmate told the authorities that was ordered in a dream by Hindi deity Lord Shiva to perform the act.

"A case of attempted suicide has been registered against Rajawat at Bahorpur police station in Gwalior," added Sahu.

Rajawat has been in the jail since 2018.

Last year he was convicted by a local court in a murder and banditry case and awarded a double life sentence.

Hooker 'witch' kills footie ace

A PROFESSIONAL footie player died in mysterious circumstances after refusing to pay a hooker for a sex session.

Now superstitious fans of Crispen Magwaza fear their idol has been killed by WITCHCRAFT.

After refusing to pay the sex worker Magwaza, 21 (*above*), who plays for FC Charles, a team from Glendale in Mashonaland Central province in Zimbabwe, started pissing up to 35 pints a day before dropping dead.

Dad Henry Magwaza said: "My boy fell sick. As the situation worsened, he divulged to me that he had slept with a certain lady of the night, but left without paying.

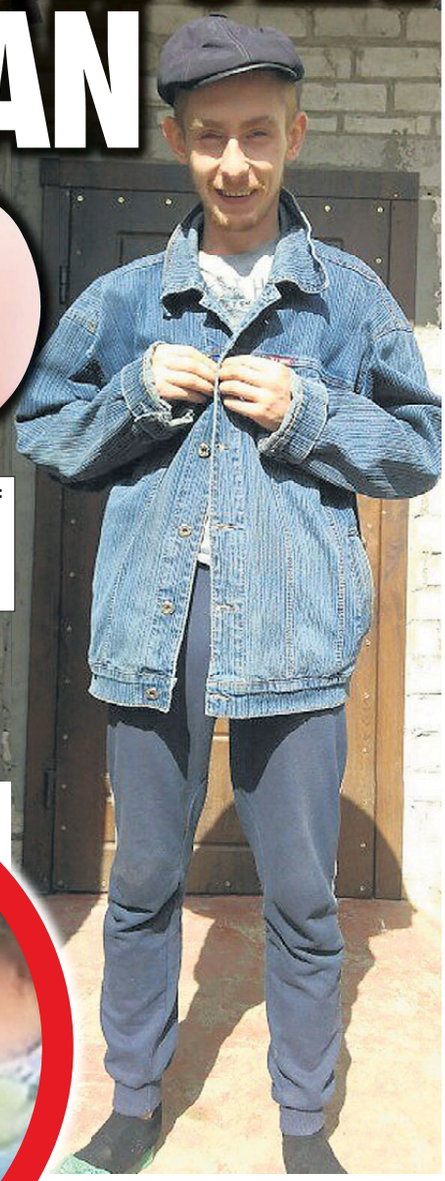
"I then took him to the woman's place who told us that if he had not come with the money, something terrible would happen to him.

"Days later he died."

KOREA'S ADVICE

LAWMAKERS in South Korea have raised the age of consent for sex from 13 to 16 in order to "protect teenagers from sex crimes at a fundamental level", the Justice Ministry said.

DOOR TO DOOR SEX ARSE SALESMAN MAKES £100K DURING LOCKDOWN



BUM DEAL: Barry's crack-ing business has made him rear-ly big money

WHEN self-employed electrician Barry Roberts found himself short of work during lockdown, he decided to take matters into his own hands.

Instead of sitting on his backside claiming benefits and watching Netflix, the 38-year-old managed to get hold of 5,000 sex arses and has made a fortune flogging them door-to-door.

And the Brummie insists he's not sorry about breaking the quarantine rules – because he reckons his rubber sex toys have SAVED dozens of lives.

Unrepentant Barry said: "I knew I was going to be in for a tough time when they started talking about bringing in lockdown.

"I knew I had to find a sideline. Luckily, the weekend before Boris told us all to stay home I was drinking in The Eagle with Scottish Dan.

By BRAD CHADWICK
news@sundaysport.co.uk

Desperate

"He told me he had a lockup full of sex arses he couldn't get rid of.

"It was a lightbulb moment. I knew people were going to be stuck at home away from their girlfriends and partners and desperate for a good shag, even if it is with a rubber sex hole.

"So I took them off his hands for £500. The next day I stuck a load in my van and started to knock on doors.

"They sold like mad at £20-a-pop and I must have made £100,000.

"Some people had a go at me for breaking the lockdown, but I reckon I've saved lives.

"Who knows what might have happened to those poor blokes if they hadn't had a sex arse to take their mind off the loneliness and boredom.

"I was well pissed off when the PM announced he was starting to ease restrictions and send people back to work.

"I'd just invested half my profits in 10,000 Susanna Reid sex dolls. I'm not going to be able to shift them now!"

Bella nips out during sexy dance routine

DISNEY babe Bella Thorne gave her fans an unexpected treat while livestreaming a sexy dance video on Instagram – her nipple popped out!

The 22-year-old actress had gone braless underneath a skimpy top and her energetic moves freed her buster.

A source said: "Instagram has a no nipple policy, but if you're broadcasting live they can't do a thing about it!"

Priest axed after bonking married woman to death

A PRIEST has been suspended after a married woman died while he was having SEX with her.

Catholic priest Abel Mwelwa *(above)*, was axed after his married lover croaked during a "marathon" bonk at his house.

Monica Mulenga, 42, who was a member of the Catholic Women's League from St Maurice Catholic Church in Lusaka, Zambia, lied to her hubby that she was going to a funeral.

Cops in Lusaka are investigating.

Meanwhile, Mwelwa said in a statement that Lusaka Diocese Archbishop Alec Banda has been unfair to him, adding: "I would like to assure you that all is well.

"My soul is at rest, knowing the justice of God is on my side."

He claims Monica died in hospital of acute pneumonia and not while he was hanging out the back of her.

Woman, 35, jailed for sucking teens

A WOMAN was sentenced to two months in jail and a year wearing a tag after getting two teenage lads drunk and sucking their stiff cocks to completion.

Brandy Lynn Sturtz, 35, pleaded guilty to statutory sexual assault, corruption of minors and providing alcohol to minors.

Cops said she provided the boys with alcohol and marijuana at her home in Hempfield, Pennsylvania.

Sturtz was sentenced to 23 months in the Westmoreland Prison with three years of probation.

She was given credit for time served since her arrest in March and was paroled to house arrest.

State police said Sturtz sexually assaulted the teens numerous times between June 1 and July 4 last year at the Days Inn Hotel in New Stanton, and at her home.

She must complete a sex offender assessment and take counselling.

My whip is 2m long... can I get back to work?

READY FOR ACTION: Dominatrix Heather has a plan to carry on thrashing

A FAVOURITE with High Court judges, senior civil servants and members of the House of Lords, dominatrix Heather Marshall has made a good living from her trade.

The blonde siren has thrashed the bottoms of some of the Establishment's biggest hitters and emptied all sorts into the mouths of Britain's movers and shakers.

But lockdown has left 56-year-old Heather – who works under the name Mistress Amelia – without a pot to piss in… or a punter to piss on.

With rent to pay on her King's Cross dungeon and loans outstanding on her S&M equipment, every day without trade bites deeper into her overdraft.

But mum-of-three Heather reckons she's found a way to still service clients – while also maintaining social distancing.

By WENDY THOMAS
news@sundaysport.co.uk

She explained: "I've bought myself a two-metre bullwhip. That means I can thrash clients until their little botties run scarlet but can still keep a safe distance from them.

"My clients and I would use surgical masks – they would love that – and my fees are always paid by bank transfer, so there's no risk of contagion from cash.

"I think I've put measures in place to protect myself and my clients. I've written to Public Health England to see what they think of my two-metre whip but have not got a reply yet.

"Once they give me the green light, it's all systems go!"

Tram tosser Born to Run from police

POLICE are hunting a man who flashed at a female tram passenger before then furiously masturbating while he sang Bruce Springsteen's hit *Born to Run*.

The suspect boarded the tram and started a conversation with the 20-year-old victim.

After he exposed himself and wanked while yelping the words of the rock classic, the woman shouted at him then approached the tram driver, before the tosser left the tram in Melbourne, Australia.

Police have released CCTV footage (*above*) of a man, in his early 20s, they would like to speak to.

Police have urged anyone who recognises the man, or may have seen him on the tram, to come forward.

A spokesman for Victoria Police said: "This kind of behaviour is unacceptable, and we will do all we can to hold the correct person accountable."

WITH all the sunny weather we've been having over the past few weeks, lying down in the park in the sun is a very tempting idea.

And with temperatures nudging the seventies, wouldn't a trip to the seaside for a bask on the sand be a lovely thing?

Well now you can!

When Boris announced the easing of the lockdown a week ago in his inimitable gibberish style, he signalled a green light for lying down and catching a few rays.

OK, that might mean you also catch a bit of Chinese death plague as well but after weeks being cooped up, many Brits look likely to take that risk.

Who would have thought that just days ago, free Britons could be nicked for lying down and enjoying a bit of rare sunshine?

Well, fingers crossed, those days are behind us.

And to celebrate, here are SIX pages to celebrate sunbathing – or, more accurately – topless and nude ladies sunbathing!

Fear of death? It will kill you stone dead...

WE have nothing to fear but fear itself...

The words of Franklin D Roosevelt were meant to calm jitters as he was inaugurated for his first term as US President during the Great Depression.

And the crafty old bugger was onto something.

Of course, we have a little more than "fear itself" to worry about right now.

The idea of breathing our last, choking on phlegm, isolated from loved ones, is not a happy one.

But my guess is that the fear of a dreadful death will end up killing a lot more people – and blighting many more lives – than the virus itself.

Yes, COVID-19 kills people. I know folk who have lost relatives to this wretched illness.

I also know people who have lost loved ones to cancer, to dementia, to the drink, to drugs, to road accidents – all before their time.

Fear of these things is not making us shudder in terror, though.

Bonkers

But coronavirus fear is sending people bonkers.

Last week, a woman I know – after hearing of the tentative plans to reopen schools – wrote: "We are literally being sent to the slaughter."

No. No we are not.

It gets worse.

Engineers out working on 5G received more abuse last month than in the whole of last year, following claims the technology was linked to coronavirus.

Openreach, the firm rolling out the high-speed mobile phone network, said that attacks had escalated during the pandemic.

Sixty-eight incidents of verbal and physical abuse – most of them linked to 5G opposition – have been reported since April 1. This compares with 42 for all of 2019.

Let's just reflect on that...

Telecoms engineers are being attacked in the streets because some people have become so unhinged, they think the virus is spread by mobile phone masts.

That is gold-plated lunacy.

And this fear, this paralysing dread, WILL kill people.

The longer we all cower in lockdown, the worse the economic future will be.

It's not a case of it being a choice between money and living because having no money kills people.

The poorer people are, the earlier they die.

If you live in Jaywick, Essex – one of the poorest areas of Britain – you can expect to die THIRTY YEARS before someone who lives in the west of London.

The poorer countries are, the earlier their citizens die.

People in Luxembourg, which has the highest GDP per capita, on average live to just over 82.

In South Sudan, the poorest country on earth, life expectancy is a shade over 55.

We need to get Britain firing on all cylinders again as soon as possible or what remains of our lives will be nasty, brutish... and short.

REAL-LIFE CLASSES WERE NEVER LIKE THIS...

DRUNK MISS TREATED TEEN LADS TO ONLINE SEX SHOW

LOOK AND LEARN... Stobart pleasured both holes with her fingers and a 12-inch dildo

Grover Cleveland High School

AROUND the world, teachers are using the video-calling application Zoom to provide education for their stay-at-home classes.

But one school miss used the space-age technology for something that was certainly NOT on the curriculum.

Because after drinking "much liquor", English teacher Tabitha Stobart laid on an X-rated SEX SHOW for three of her teen pupils.

The 42-year-old divorcee contacted the lads – all aged 15 and 16 – via Messenger and invited them to a "special lesson".

Intrigued, the teens logged on and were treated to Stobart:

- Stripping off her top and bra to reveal her breasts
- Tweaking her erect nipples and "moaning"
- Slipping off her panties and inserting a finger into her "visibly-moist" vagina
- Thrusting a 12-inch dildo into her sodden hole
- Fingering her tight, puckered anus
- Sodomising herself with the large sex toy

The session would have remained secret, except one of the lads from Grover Cleveland High School in Tampa, Florida, took screen shots of the teacher's performance and posted the stills on social media.

By BRAD CHADWICK
news@sundaysport.co.uk

Horrified parents got wind and contacted school authorities who suspended Stobart and called in cops.

Stobart was arrested and charged with enticement, improper use of a telephony system and providing an obscene display to minors.

She apparently told cops she had been "very drunk" at the time of the performance.

She said: "Just because there's a virus about doesn't mean we can't have some fun!"

Celeb private dick dodges perv's list

TELLY STAR: Vincent Parco

By BRAD CHADWICK
news@sundaysport.co.uk

A PRIVATE eye who became a celebrity with his own reality TV show won't have to register as a sex offender after filming a THREESOME.

Vincent Parco will not have to sign the perverts' list over his conviction last year for secretly filming a threesome sex session in a blackmail scheme.

Parco's attorney, Peter Gleason, said after the hearing that his client plans to appeal his conviction, claiming the prosecution was in fact "politically motivated".

Prostitution

The former reality star show is set to be released from the Gowanda Correctional Facility in New York on June 12 after serving a year behind bars for promoting prostitution and unlawfully making and disseminating the sex tape.

Gleason said: "Mr Parco has nothing but kind words for the staff and his fellow inmates and looks forward to having the opportunity to clear his good name."

Back in 2016, Parco – star of *Parco PI* – was hired by Samuel Israel, of Brooklyn, when Israel faced charges of sexually abusing a female relative.

Israel, who was later convicted on his separate charges, paid Parco £14,000 to get damning video footage of the sex abuse victim's husband in an attempt to threaten her not to testify in Israel's case.

Gleason had tried to argue in court during the trial that the DA's office was pandering to the orthodox Jewish vote, but Supreme Court Justice Donald Leo barred him from using the defence.

Chastised

Gleason added: "The defence was chastised on a number of occasions during the trial for even utilising the term 'Hasidic'."

The Brooklyn DA's office, which pushed for Parco to be placed on the Sex Offenders' Register, did not immediately respond to a request for comment.

THE CURSE OF THE SLENDER MAN

REAL LIFE X-FILES

CRAZED: Geyser *(top left)* and Weier attacked Payton Leutner *(below)*

HE'S the faceless bogeyman to haunt your nightmares.

But while you might tell yourself that the Slender Man doesn't exist, police are picking up the pieces after this shadowy entity 'told' two 12-year-old girls to MURDER one of their female classmates.

Now, as internet forums flood with reports from the UK of individuals being 'haunted' in their sleep by the tall and tentacled monster, the Slender Man's curse appears to be spreading.

The horrifying product of a digital age, he's a creature that didn't even exist until June 2009.

Slender Man first came to life as part of a Photoshop competition to create fake paranormal images on the popular website somethingawful.com.

One effort saw user Erik Knudsen submitting an unsettling photo – which he'd fabricated himself – showing children fleeing a dark being that towered over them.

The caption read: "We didn't want to go, we didn't want to kill them, but its persistent silence and outstretched arms horrified and comforted us at the same time."

Everyone knew he was a figment of the imagination, but Slender Man had already begun to affect viewers on a primordial level.

He quickly began to feature in YouTube flicks and video games.

And soon he was creeping up on people in their nightmares.

One frantic post on Yahoo, from a girl in Winchester, Hants, reads, "I had a dream about Slender Man yet again. I'm scared. Is Slendy coming after me?"

Another online entry states: "Even in my everyday life it feels like Slender Man is watching me, haunting me.

Stabbed

"My dreams are full of despair due to the Slender Man. I can't get away. Please help."

The Slender Man had somehow morphed from fiction into fact.

Other, more susceptible individuals openly embraced Slender Man and were willing to do his bidding in order to become his terrible disciples.

In June 2014, schoolgirl Payton Leutner was left for dead having been stabbed 19 times by her 'friends' Morgan Geyser and Anissa Weier in a park in Waukesha, Wisconsin, USA.

In an official police report, Weier said Slender Man was her 'leader', while explaining that Geyser told her they needed to slaughter their pal in order to become 'proxies' of Slender Man.

They'd been concocting their vile plan for five months. And it's a miracle Leutner survived, having somehow crawled to a nearby road unable to breathe, her life bleeding out.

One of the girls told a police investigator: "People who trust you become very gullible. It was sort of sad.

"We told her we were going to get help, but we really weren't. We were going to run and let her pass away. So, we ran."

By WENDY THOMAS
news@sundaysport.co.uk

'Knife girl 'still says that he's 100% real'

In another video, obtained by a local news station, Weier is heard admitting: "Morgan jumped on Payton and started stabbing her repeatedly and that's when I turned around because I couldn't stand to see that.

"The whole time Payton was screaming in agony... saying stuff like 'I hate you guys, I'll never forgive you, I trusted you'."

Earlier this month, a court heard how detectives had found 60 drawings of Slender Man in Geyser's bedroom.

Many of the eerie daubings included chilling notes – like 'not safe even in your house' and 'he is here always'.

And in Geyser's eyes, the Slender Man exists, 100 per cent.

Psychologist Deborah Collins testified: "Her belief hasn't wavered and it's been unyielding to a rational perspective."

Now Geyser and Weier face up to 60 years in prison if convicted as adults of attempted homicide.

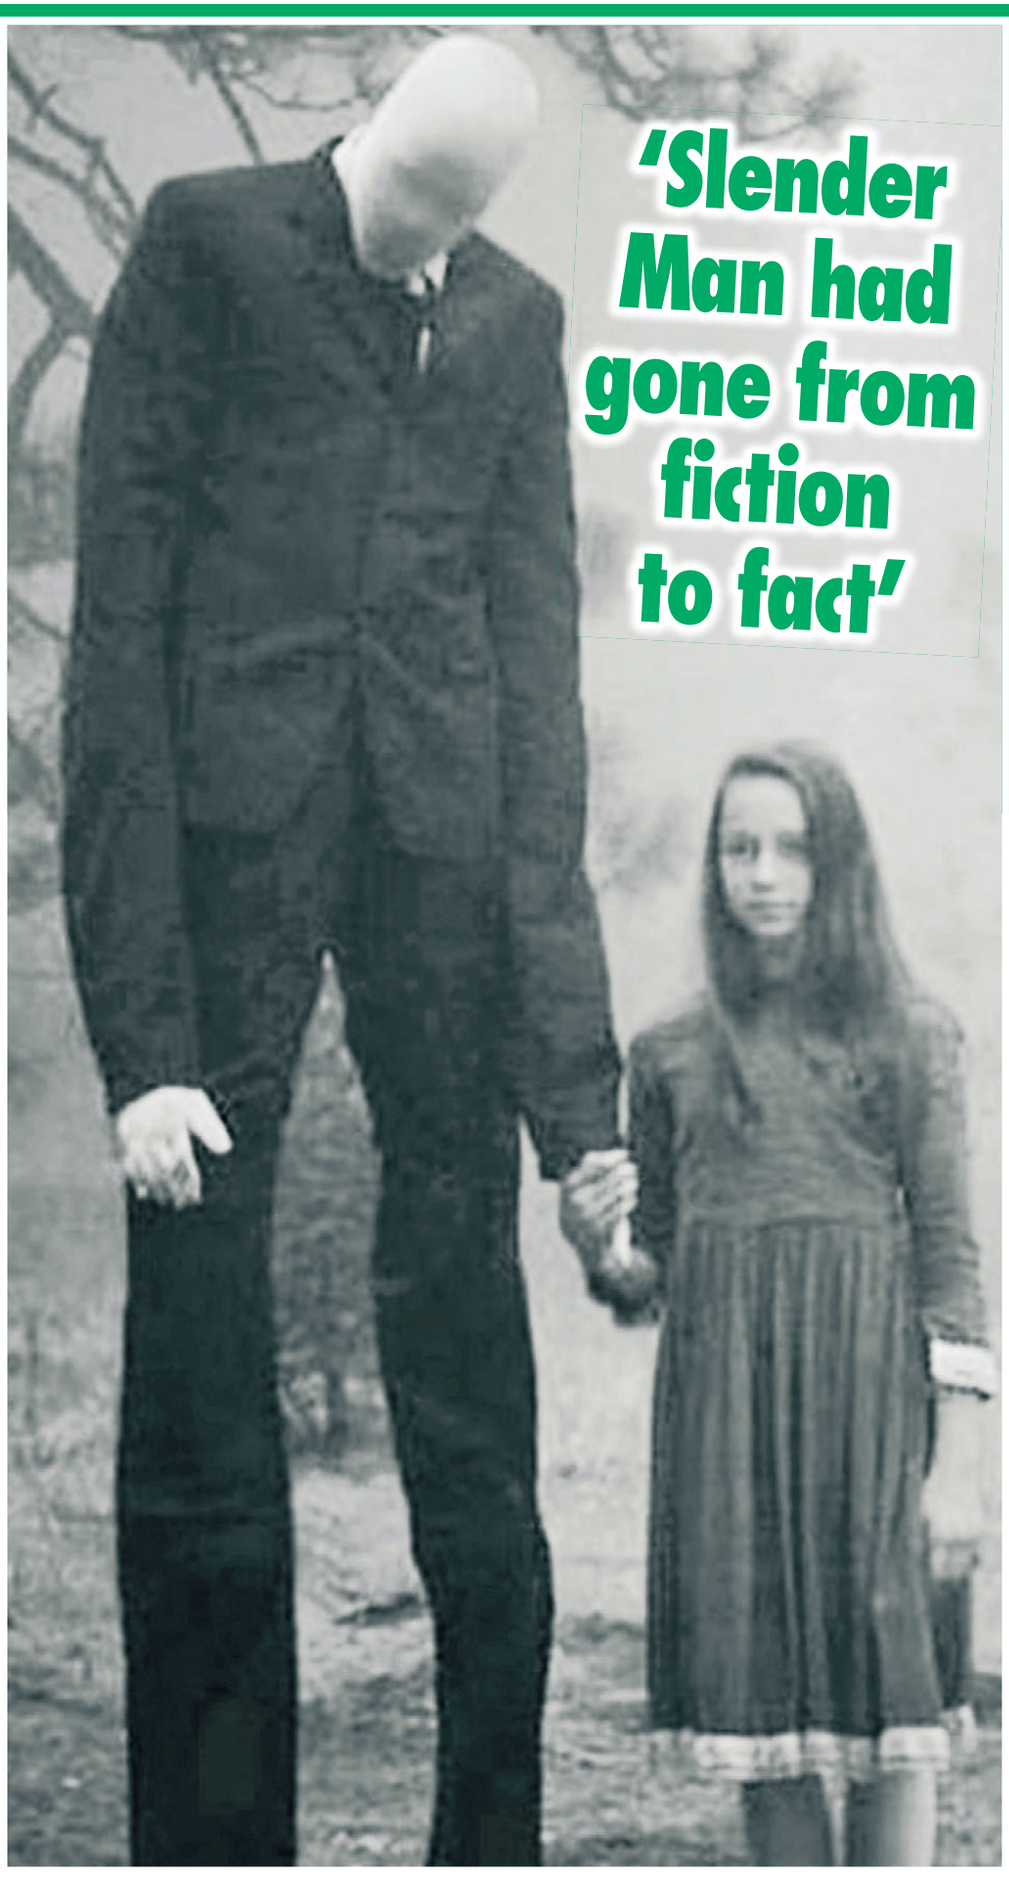
Meanwhile Knudsen, the man who spawned Slender Man, says he deeply regrets unleashing such a monster.

In a statement released after the brutal Leutner assault, he wrote: "I am deeply saddened by the tragedy in Wisconsin and my heart goes out to the families of those affected by this terrible act."

Knudsen is as perplexed as anyone as to why the Slender Man so insidiously infected cyberspace.

In an interview from 2011, he admitted: "I didn't expect it to move beyond the forums.

"And when it did, I found it



'Slender Man had gone from fiction to fact'

interesting to watch as sort of an accelerated version of an urban legend.

"It differs from the prior concept of the urban legend in that it is on the internet, and this both helps and harms the status of the Slender Man as one.

"In my personal opinion, an urban legend requires an audience ignorant of the origin of the legend. It needs unverifiable third and fourth hand (or more) accounts to perpetuate the myth.

"On the internet, anyone is privy to its origins, as evidenced by the very public Something Awful thread.

"But what is funny is that despite this, it still spread."

THE BOGEYMAN WILL GET YOU...

The Old Hag

FOR centuries, people have reported waking up to find a demonic hag sitting on their chest, crushing the very life out of their body.

It's a terrifying vision that modern doctors have attributed to a condition known as 'sleep paralysis', in which a sufferer hallucinates – while temporarily losing the ability to move, speak or react – as they are locked in a harrowing nether world between slumber and consciousness.

Pugot Mamu

BOGEYMEN take many different forms around the world, many of them linked to the abduction and murder of innocent children.

And in the Philippines, the man who haunts their nightmares is particularly wicked. Pugot Mamu is a hulking demon who stalks dark woods and deserted houses.

Having deliberately cut off his own head, he now consumes kids through the bloody hole in his neck...

Sack Man

THERE are variations of 'Sack Man' or 'Bag Man' reported in different forms across the world, all with the same message: if you're a child who's naughty, you're going to get carried away and dragged straight to Hell by the Sack Man.

In Germany he's known as 'Krampus' – a horned devil who spirits away ill-disciplined girls and boys at Christmas time.

Katie's boobs are a local landmark

BUSTY Burnley lass Katie Thornton says her boobs are as famous as the town's football ground, Turf Moor.

And the 26-year-old said she gets really turned on when hunky men fondle her enormous norks.

Katie has a huge pair of 32GGs and enjoys it when they are splattered in spunk.

By WENDY THOMAS
news@sundaysport.co.uk

She said: "My boobs must be one of the most famous landmarks in Burnley – up there with Turf Moor.

"One look at them and lads will do anything I want.

"There's nothing better than a guy licking, sucking and stroking my boobs before taking me from behind!"

My perfect Sunday...

Sophie Parker, 27, 30G, from Birmingham

I'M ALL REVVED UP FOR A RALLY

SUNDAY Sport SEXY BACK END!

By WENDY THOMAS news@sundaysport.co.uk

WE'RE all making plans for when the lockdown is properly lifted – and sexy Sophie is no exception.

But you may be surprised by what the Birmingham stunna is planning.

She said: "I'm itching to get to a proper vintage car rally!

"By this time of the year I should have already been to loads, but because of the lockdown they've all been cancelled, for obvious reasons.

"There's nothing better than spending a Sunday wandering around, talking to the owners about their cars.

"I love it – it's my perfect day.

"Especially if there's a lovely carvery to look forward to afterwards."

She added: "Those enthusiasts will talk your hind legs off, though – they are passionate about their motors."

And Sophie knows what she's talking about.

She added: "I come from three generations of engineers and have been able to strip a carburettor blindfolded since I was 11!"

PART 107

SOFI RYAN

SEXATIONAL Sofi Ryan joined the porn biz in 2017 as Hailey Linzz, but that didn't suit her so she changed her name.

By PENNY MARSHALL
news@sundaysport.co.uk

The 27-year-old starlet has long black hair and a winning smile that'll make you happy just to see it.

Envied

Her natural 32D boobs pair perfectly with her 26-inch waist and 31-inch hips making for one hot pornstar!

Even before making it in the sex scene, her body was envied.

Sofi said: "My boobs started growing when I was 13 and the boys just loved it – the girls hated me though!"

Sofi lives in Seattle when she's not in LA shooting smut, so she's really into coffee culture and even once worked as a barista.

And she loves taking walks – especially hikes in the beautiful country around her home town.

Her greatest weakness?

"Butt plugs! I love 'em!"

COCKY: Sofi can't get enough stiff length inside her

PUB TALK

BEFORE the lockdown closed their doors, the pub was a great place to meet old mates, relax and have a laugh over a couple of drinks.

In happier times, our reporters visited British boozers up and down the country to ask babes all about their sex lives.

Thankfully, we got a few interviews "stockpiled" before all the pubs got shut.

In today's feature, we speak to Melissa and Lauren from Enfield...

MELISSA CHANDLER
AGE: 21
FROM: Enfield
OCCUPATION: Office worker
FAVE DRINK: Cosmopolitan
FAVE FOOD: Indian
FAVE FILM: Anchorman
FAVE ACTOR: Bradley Cooper
FAVE HOLIDAY: Mallorca

LAUREN BARKER
AGE: 21
FROM: Enfield
OCCUPATION: Barmaid
FAVE DRINK: Prosecco
FAVE FOOD: Italian
FAVE FILM: Dark Shadows
FAVE ACTOR: Johnny Depp
FAVE HOLIDAY: Ibiza

FAVOURITE SEX POSITION

MELISSA: What's your favourite sex position?
LAUREN: I like going on top because it feels good and I love being in control during sex. On top you can hold his arms down and really let him know who's boss. What about you?
MELISSA: I'm a bit boring really, but I like a man being n top because I like kissing during sex.
LAUREN: Do you like other positions?
MELISSA: Oh yeah. Don't get me wrong, I love being adventurous and trying all different kinds of positions. Sex is supposed to be about fun and trying new things, I love it.

ONE-NIGHT STANDS

LAUREN: I've had a few one-night stands and I really like the excitement of them. Have you ever had one?
MELISSA: Actually, I haven't. I just like the man to wait before he gets to sample the goodies I have to offer.
LAUREN: Really, have you never been tempted?
MELISSA: Yeah, but I like to get to know them first.What was your best one?
LAUREN: I pulled this fella in Magaluf and I went back to his apartment and had wild sex. We did it in every room and it lasted for hours. We were still at it when the sun came up. It was great.

WORST SEX EVER

MELISSA: What was the worst sex you have had?
LAUREN: It has to be my first time, it was horrible.
MELISSA: Why?
LAUREN: The fella didn't have a clue what he was doing and it was really awkward and it was over very quickly. What was your worst?
MELISSA: It has to be my first time, too. He had a really small willy and it was a big letdown. It has got a lot better since then, thankfully!

LESBO LOVING

LAUREN: Have you ever fantasised about getting it on with another woman?
MELISSA: No, it has never appealed to me. I think I like men too much.
LAUREN: What if your boyfriend wanted you to have a threesome with another girl?
MELISSA: I would probably punch him. I should be enough woman for him. Why, have you ever done it with a girl?
LAUREN: No, but I reckon I might be tempted if I was horny and really drunk. I have kissed one of my friends for a laugh when I was hammered. It was good fun.
MELISSA: Who would be your ideal woman to try it with?
LAUREN: It would have to be Charlize Theron. She is just so gorgeous and I would love to kiss those beautiful breasts and big lips.
MELISSA: Mine would be Jessica Alba. She is just perfect in every way. Gorgeous.

BEST SEX EVER

LAUREN: What was the most exciting shag you have ever had?
MELISSA: I probably shouldn't tell you this, but I had amazing sex on our kitchen table in our last flat.
LAUREN: What! I ate on that table.
MELISSA: I know, I'm sorry but it was just the heat of the moment. He ripped my clothes off and he took me over the table. It was wild. What about you?
LAUREN: I was driving this fella in my car and he said he wanted me there and then. So we pulled into an industrial estate and had sex in the back seat of the car right there in the car park. It was really exciting because there were lots of people around and we could easily have been caught.
MELISSA: Yeah, there is something really hot about doing it somewhere you can get caught. It's a real turn-on.

> "We did it in every room and it lasted for hours – and we were still at it when the sun came up!"

SEX FANTASIES

MELISSA: Have you ever carried out a fantasy?
LAUREN: No, I have been pretty boring in that respect. But I would love to have a threesome with two men, and preferably one of those men would be Johnny Depp.
MELISSA: Really? You are a dirty girl at heart aren't you?
LAUREN: Not really, but I do love sex and having one man is great so two must be even better.
MELISSA: You like dressing up, don't you?
LAUREN: Yeah, I like dressing up for my boyfriend. I've been a sexy French maid and a nurse, the usual. It makes him happy.

WILLY SIZE

LAUREN: So what is the biggest willy you have ever seen?
MELISSA: Well, luckily for me, it has to be my current boyfriend's, it is absolutely huge. It is about 10 or 11 inches, it is eye-wateringly massive.
LAUREN: Blimey, what did you say when you saw it?
MELISSA: I went "Woo-hoo, this is going to be fun".
LAUREN: Mine was about nine inches and, believe me, size does matter. It felt so much better than a small willy.
MELISSA: Yeah, big ones are much better, sorry fellas.

SPIT OR SWALLOW

MELISSA: Spit. I don't really like the taste and it has a lot of calories in it. I've got to watch my figure. What do you do?
LAUREN: Swallow. It seems like the polite thing to do and it is less messy.
MELISSA: Don't you think the taste is horrible?
LAUREN: No, it doesn't bother me. I think the men enjoy it more if you swallow.

SEX TOYS

LAUREN: I've never had a sex toy, would you recommend one?
MELISSA: Definitely, I love them. You can get these things called play pumps, they are brilliant and make you really hot. Why don't you have one?
LAUREN: I would like one, but I've always been embarrassed to go to a shop to buy one. Maybe I need a bloke to buy me one.
MELISSA: You should definitely get one. I have hours of fun with mine when my boyfriend isn't around.
LAUREN: Okay, but you'll have to buy it for me!

BUM FUN

MELISSA: I'm going to shock you now, because I've grown to love having anal sex. What about you?
LAUREN: No, I have never tried it and I don't think I'd want to. The idea of someone sticking their "biggun" up there just makes me squeamish. Some blokes have asked to do it, but I have said no. How did you get into doing it that way?
MELISSA: Well, we'd had a few drinks and he just came right out and said let's try it. And I agreed! He was really gentle and got into a good rhythm and I suddenly felt this incredible excitement. In the end, I was begging him to do it harder and I had an amazing orgasm. We've done it regularly since and it gets better and better.

OH-NO MOMENT

MELISSA: When I was on holiday last year I had sex with my boyfriend in the toilet cubicle at a beachside bar. It was all going well until the owner came in and started ranting and raving in Spanish. I don't know whether we'd been heard but we got dressed, strolled out of the cubicle with a big smile on our faces and then legged it!
LAUREN: We'd been out for a curry one night and I started farting during sex. I just wanted to curl up in a ball, but my boyfriend seemed to find it hilarious and just carried on. He said it didn't bother him but I was really embarrassed!

***Harry's Heroes: Euro Having a Laugh* – ITV, 9pm**

HARRY Redknapp takes his team of ex-England players on a European tour, as they prepare for a rematch against the German Legends on their own soil.

They begin in France at a self-catering hotel in the quiet medieval town of Provins, where Harry wants them to detox and cook their own healthy food.

But they don't even get through the first night without hitting the beers and ending up at a curry house!

***Monkman & Seagull's Genius Adventures* – BBC2, 9pm**

NEW series. Eric Monkman and Bobby Seagull travel around Britain as they explore their favourite scientific breakthroughs, beginning with the 18th-century inventions that kick-started the Industrial Revolution and changed scientific understanding.

They head to Derbyshire to investigate Richard Arkwright's water frame – a spinning machine that allowed cotton textiles to be mass-produced – and then examine James Watt's separate condenser, an unassuming invention that would be the biggest single improvement ever made to the steam engine.

OF THE TELLY

By BARNEY SAMUELS

Maigret Sets a Trap – ITV, 8pm

ROWAN Atkinson stars as the Parisian detective in this drama based on the novels of Georges Simenon.

The summer of 1955 finds Paris in the grip of both sweltering heat and terror on the streets – four women have been murdered in Montmartre, with no apparent connection between the victims.

Chief Inspector Maigret comes under huge pressure from the public and his superiors to apprehend the killer before he can strike again.

Fiona Shaw and Mark Heap head up the supporting cast.

It's a repeat – but we'll be getting a lot of them while the lockdown lasts.

Paint Your Wagon – BBC2, 2.50am

RECKON Clint Eastwood is all *Dirty Harry*?

Well, here he is in a MUSICAL!

A gold prospector buys a wife from a Mormon and agrees to share her with his mining partner when she insists they all live together.

Mindful that her presence in an all-male town might give rise to jealousy, he hijacks a stagecoach carrying six working girls and opens a brothel in town.

Oscar-nominated musical Western, starring Lee Marvin, Clint Eastwood, with Jean Seberg and Harve Presnell.

Walking with Elephants – C4, 9pm

LEVISON Wood continues his epic 650-mile journey on foot, following the annual migration of Botswana's 130,000 elephants, and faces his toughest challenge yet.

Together with his guide, Kane, Lev treks along the route taken by the male elephants through the salt pans of the Makgadikgadi, via the frontier town of Gweta, to the Okavango Delta.

At one point he narrowly escapes being surrounded by a load of the critters.

TUESDAY

A Very British Hotel Chain: Inside Best Western – C4, 9pm

DOCUMENTARY on the hotel company, which has 265 outlets across the UK, following its staff as they try to make a profit in the face of tough competition.

In the first episode, recently-hired CEO Rob Paterson talks about rejuvenating the brand, tasking his team at the company headquarters in York with doubling their membership to 500 hotels in just two years.

Meanwhile, hotel inspector Alasdair travels to the Lake District to assess if a newly-signed hotel is up to brand standards.

Narrated by Diane Morgan.

The First Georgians: The German Kings Who Made Britain – BBC4, 9pm

DR Lucy Worsley reveals the history of Britain under the reigns of George I and George II, in a programme originally shown to mark the 300th anniversary of the Hanoverian succession to the British throne – yes, it's another repeat!

Lucy is given access to treasure from the Royal Collection in the Queen's Gallery at Buckingham Palace, to give a personal insight into the monarchs' lives, and begins by charting the story of George I's feuding family.

DON'T MISS THIS!!!

Gremlins – Friday, ITV, 11.05pm

A BLAST from the past, when movie blockbusters WERE movie blockbusters.

If you've been watching *Stranger Things* on Netflix, you'll be a sucker for early-Eighties nostalgia – and this flick will take you back to those innocent childhood days when all we had to worry about was, er... imminent nuclear holocaust!

A teenager is given a strange, cute creature as a Christmas present by his eccentric father and warned to keep it away from water, not to feed it after midnight, or expose it to direct light.

However, a chance dousing causes the furball to spawn a horde of murderous little monsters, and their devilish antics bring mayhem to a small town.

Comedy horror, with Zach Galligan, Phoebe Cates, Hoyt Axton and Polly Holliday.

SIZZLER Stella Cox loves – you guessed it – COCKS!

The Italian-born beauty can't get enough man meat in every hole going!

Anal-loving Stella, 26, has jetted across the globe to star in films such as *Anal Workout Instructions*, *Big Boob Anal*, and the acclaimed *Double Penetrations in the Bathroom*.

After moving from Rome to Reading, Berks, the all-natural 32D brunette boasted she can't get enough of bum fun.

Tess's sex vid stays a secret!

SUNDAY Sport SEXY BACK END!

TAUT Tess O'Reilly says she loves having sex so much she once recorded herself doing it on her mobile phone.

But she'll NEVER make it public!

The 28-year-old model, who lives in Newcastle, also likes wearing high heels in the bedroom – to really turn her fella on.

Revealing her kinkiest secrets the 32E beauty said: "I've made a little video on my mobile phone and that was fun, but I wouldn't fancy doing a full-on sex tape – I'd be worried about it falling into the wrong hands!

"I like wearing my high heels and wrapping my legs round a guy's waist while we do it – they love the feel of them on their skin, it seems!"

The glamorous 36E model reckons she just needs to find the right guy who can unleash her kinky inner dominatrix.

"I love to wear black knee high leather boots, leather shorts with a zip-off crotch and not much else.

"Really slowly, I would strip off in front of him and watch him get hard.

THE WORLD FAMOUS AGONY Page

Dear Dani,

I RECENTLY split from my partner of four years and since then I've been having the time of my life shagging her mother twice a week – as well as her younger sister and her two pals!

The mum's very sexy, gives great head and she's sex-mad.

She came round to see how I was feeling after the split and brought some wine.

She has great tits and was soon on her knees sucking me off. We then had sex three times.

We've been meeting regularly for a shag since, but two weeks ago my ex came round and said she knew about me boning her mum and her sister and her pals and it's all kicked off now.

What can I do?

RS, Preston

Dani says...
KEEP it out the family!

Dear Dani,

I'M happily married but my hubby told me he wanted to shag another woman while I watched. I was turned on by the idea so we set about arranging it and we found a girl on the internet.

She arrived at our house and looked even better than her photos and I could see my hubby fancied her.

We had a few drinks and went to the bedroom where they had oral and vaginal while I looked on.

My husband is like a new man since then.

What he doesn't know is I've contacted her for a lesbo session. Do you think he'd like to watch?

SE, Taunton

Dani says...
ARE you kidding? He'd pull his cock off!

DO YOU HAVE A SEX PROBLEM?

TENSION MOUNTING OVER WIFE'S BIG ASS

Have I got a big ass? Have I? I have, haven't I?! All I've done is graze this whole lockdown! And now I've got a big ass!
Nonsense darling. You have cherubic little rump

AGONY IS BROUGHT TO YOU IN ASSOCIATION

WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week DANI MAYE has been reading through your letters and emails. Here's her advice...

I drove my cock into rally babe but fear my wife might find out

Dear Dani,

IT was my 40th birthday just before the lockdown and as a surprise, my wife bought me a rally car driving experience.

I went out to the farm where the cars and dirt track was and went to meet the bloke in charge, who was with his daughter, a very fit blonde of about 25.

Hurt

He was about 60 and said he had hurt his back and couldn't co-pilot me in one of the cars.

I could either rearrange it for another time or his daughter, who had just passed her exams, could sit with me.

I didn't want to waste the day so I said I'd be happy if she would accompany me.

She took the steering wheel, with me as her sidekick, as we put our helmets on and she floored the accelerator and we sped off on our first circuit.

As we sped round the tiny, muddy tracks and cobbled lanes I remarked on the amazing views and for some reason blurted out "you could have sex round here and no-one would ever know".

But she slammed on the brakes, turned the engine off and removed both our crash helmets before kissing me and then unfastened my pants.

She then started fondling my balls and licking me until I was rock hard.

Then she pulled her own jeans and panties off and told me to shag her from behind in the back of the motor.

I slid my cock in, holding her tits as I eased in and out, squelching noises breaking the silence.

After 10 minutes we both came and after a safe return to the farmhouse, her father said: "Your wife called and asked me to take some photos of you whizzing round the tracks in all that mud.

"I've managed to get a few good ones," he added, but didn't show me them.

He didn't send them and my wife's pestering him to, while but I'm terrified he might have shots of me bonking his daughter.

BH, Bury St Edmunds

Dani says...

HE may drive a hard bargain if he has.

Dear Dani,

THE prick I'm living next door revs his car engine at half six in the morning, but that's not the worst of it – he's had the cheek to knock on my door and tell my missus to keep the noise down while we're shagging as it's annoying his parrots!

I went round to give him a piece of my mind but his wife answered the door. She was very apologetic and invited me in for a cuppa and told me she got off on the noise my missus made and could I do it for her?

So I porked her good and proper, but I had to keep my hand over her mouth.

PM, Chelmsford

Dani says...

SOUNDS good to me!

Bexi says...

Love who you are.

HARRY: GET JT PLAYING

HARRY Redknapp says Aston Villa assistant boss John Terry can save the Brummies — by coming out of retirement.

The former Spurs gaffer believes the 39-year-old could use his experience to lead the Claret and Blues out of the bottom three.

It looks bleak for Dean Smith's men as they sit 19th in the table but only two points from safety.

Redknapp said: "If I was the manager of Aston Villa and they have to play those last nine games, the first thing I would do is say, 'John Terry, please get fit, organise them, lead them'.

"I'd play him in the middle of the three at the back. He could still play for the last nine games and maybe keep them in the division."

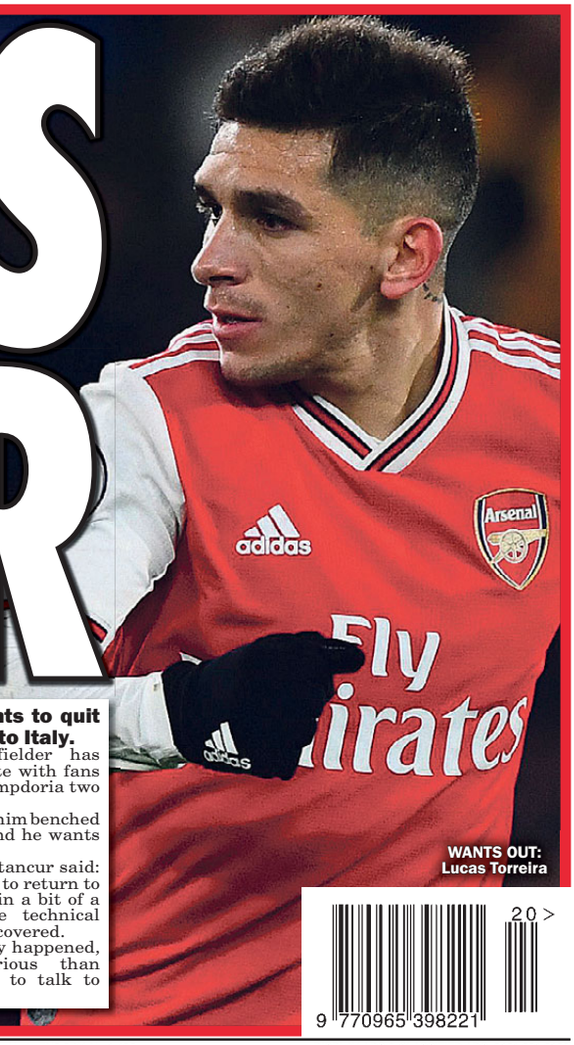
LUCAS IS GUNNER LEAVE



WANTS OUT: Lucas Torreira

LUCAS Torreira wants to quit Arsenal and return to Italy.

The Gunners midfielder has become a firm favourite with fans since arriving from Sampdoria two summers ago.

Injury problems saw him benched before the lockdown and he wants an Italian return.

His agent Pablo Bentancur said: "The player would love to return to Italy. Lucas had been in a bit of a bad mood over some technical differences, then he recovered.

"And then this injury happened, fortunately less serious than expected. I will have to talk to Arsenal."
